

Html_task8

هل هناك إختلاف بين هذه العناصر عندما يتم إظهارهم في الصفحة أم لا ؟

```
<p class=element hidden>Welcome To The New World</p>  
<p class="element" hidden>Welcome To The New World</p>
```

No all of them are the same as “” is the same as ‘

Only one word can be used as a value of the attribute without “”,,” (if more than one word quotations should be used as it will treat the first word as value and the rest as new attributes)

Both are hidden there ‘s no content in The page
